

### **Conditions Token Authentication for TEGSIS**

In order to gain access to TEGSIS Tauw provides users with an authentication token.  
With this token a TEGSIS-user can log in with Tauw via the internet to gain access to TEGSIS.

Conditions:

- With a user name, password and a number of the token the user identifies himself when he wants to have access to his TEGSIS-data via the internet. The token is person-related and may not be made available to other persons.
- The token remains the property of Tauw
- The user needs to exercise the greatest possible care to prevent damage, theft or loss of the token.
- The user realizes that his TEGSIS-data can be accessed with this token. In the event of theft or loss of the token Tauw cannot be held responsible for any damage whatsoever as a consequence of the abuse by a third party.
- In the event of damage, theft or loss of the token the user must report this as soon as possible to Tauw via the Tauw-helpdesk, tel. + 31 (0)570-69 96 50, email support@tegsis.nl. In that case Tauw will block access by means of this token as soon as possible and will provide a substitute token.
- The token can be reclaimed by Tauw at all times in case of abuse.
- If the use TEGSIS is not continued, the user will return the token to Tauw Group within 5 weekdays: Helpdesk Tauw Group bv., p.o box 479, 7400 AL Deventer, The Netherlands.
